Description

Nestled in the peaceful countryside of Los Carasoles, Zurgena, this charming 2-bedroom, 2-bathroom villa offers a perfect blend of rural living and modern comfort.

The villa is on one level, and is surrounded by breath-taking mountain views and open countryside that is ideal for those seeking tranquillity, away from the hustle and bustle of busy life.

The villa is fully fenced and gated, providing both privacy and security.

Electrically operated double gates open to a spacious driveway that leads up to the front of the property, where you'll find a covered carport offering ample space for parking.

The land on 3 levels is low-maintenance, with beautiful, established citrus trees providing shade and a touch of colour throughout the year.

A generous swimming pool terrace sits at the heart of the property, offering spectacular views of the surrounding countryside and mountains.

Perfect for relaxing or entertaining, this outdoor space also features an outdoor kitchen and a covered dining area, creating an inviting space for al fresco meals.

The villa's main covered terrace, accessible from the large and airy lounge/diner, provides another delightful space for outdoor relaxation, offering easy access to both the pool terrace and the surrounding views.

The rear ornamental garden is laid to stone, has a shed, large fountain, a bench, and a lemon tree. Down steps under the viewing balcony by the pool, the pool equipment room is situated with some extra storage space.

As an added bonus, there is a full sized Garage with small work area, pedestrian door and a new electrically operated roller style garage door to the side of the property, ideal for storing tools or outdoor equipment.

Inside, the villa boasts a spacious, light-filled kitchen with modern appliances and a lovely outlook over the pool terrace, making it a perfect space for cooking and enjoying meals.

The lounge/diner is bright and welcoming, with ceiling fans for added comfort, and features a charming gas fired fireplace. A glazed door leads out to the covered terrace, creating a seamless flow between the indoor and outdoor living spaces.

A hallway from the lounge leads to the two bedrooms and the family bathroom.

The master bedroom is generously sized and includes an en-suite bathroom, built-in wardrobes, and dual air-conditioning for year-round comfort.

The second bedroom is equally spacious, also featuring built-in wardrobes and air conditioning.

The orchard level of the plot could easily incorporate a static caravan or motorhome if you felt the need for an extra bedroom. The citrus trees in the orchard are lemon, orange and grapefruit.

The lower field which is within the overall boundary, is almost 500m² and ideal for animals, agriculture, leisure use, etc.

This villa offers the perfect opportunity to enjoy a peaceful rural lifestyle yet just a short drive from the village of Zurgena, where you'll find all the amenities you need.
