Description

RESERVED MARCH 2025

An opportunity to purchase a lovely apartment located near the public fountain in Mojacar Pueblo. The property is on a lower ground floor with three bedrooms, one bathroom, guest toilet, newly reformed storage room and a private terrace.

The pueblo has an intimate feel but still benefits from various amenities, restaurants and shops plus it is steeped in history. Only 5 minutes from Mojacar Playa with its stunning beaches, bars, restaurants and entertainment.

The property is located on a quiet road with stairs down to a lower ground landing and its own attractive and traditional front door. Only one other apartment shares this floor.

Walk into a long corridor with freshly decorated walls and contemporary floor tiles, the large store room is immediately to the left (potentially another bedroom or bathroom). The living/dining room is situated at the end of the corridor. It is spacious and can easily accommodate various lounge and dining furniture.

The large patio doors lead you onto the private terrace which can accommodate table, chairs and additional seating area or furniture if required. The views are of the adjacent road which is also quiet.

A breakfast bar separates the living space and kitchen. The kitchen has a traditional but modern feel with newly fitted wall tiles and includes all the main appliances including a dishwasher. A separate door leads you to an additional utility space which currently houses the washing machine and boiler.

Back out through the living room to another corridor which lead to the three bedrooms and 2 bathrooms. The main double and first guest bedrooms have built in wardrobes and plenty of light from the window and a Juliet balcony. The second guest bedroom also has a Juliet balcony with space to accommodate some furniture.

The family bathroom has a walk in shower, toilet and bidet. It is fully tiled for easy maintenance and enjoys a window for ventilation and natural light. The separate w.c has a toilet and vanity unit.

The property benefits from air conditioning throughout.

A traditional property, in a quiet location that must be seen to be appreciated.
